

Technical Data Sheet for ProMedia AppliKleen

Our unique range of ProMedia products suitable for cleaning and restoration serves an array of functions including removing vinyl and sticky adhesive residue from surfaces like glass and steel, and more. It's a must-have for both your professional and personal cleaning collection.

Features

- Surface cleaner
- Cleans delicate surfaces before vinyl application (like vehicles, trophies, etc) and evaporates quickly leaving your surface clean and dry.

Precautions

- Always wear protective gloves and eye protection.
- Avoid inhaling the product.
- Use only in a well ventilated environment.
- Always rewash contaminated clothing before reuse.

Caution

- The product contains d-Limonene and Propan-2-ol (highly flammable liquid and vapour).
- Keep away from any open flames.
- Avoid eye contact.
- Contact doctor/ Poison Centre if feeling unwell.
- May cause serious skin irritation. If skin or eye irritation persists - seek medical attention.
- May cause drowsiness.
- Harmful to aquatic life.

In case of fire

- Use carbon dioxide (CO₂), alcohol resistant foam, dry chemical or water fog to extinguish.

Storage

- Store in a cool and well-ventilated place.
- Keep container tightly closed.
- Collect all spillages.
- Dispose of contents and container in designated chemical waste depot.

PLEASE NOTE: All of the above information is only a guide; please test AppliKleen surface cleaner compatibility before final use on a project.
